

Those planning to visit our hospital with fever, please let us know first.

For the purpose of strengthening prevention of nosocomial infection, the patients with fever are supposed to visit 「Fever clinic (a part of clinic for outpatients with fever)」.

Please let us know before deciding the clinical department you visit. In addition, we ask patients with fever for refraining from visiting other departments.

Please wear a mask and cooperate with disinfection with hand sanitizer when entering the hospital.

To All Patients

Those with a fever or cold-like symptoms

such as coughing, runny nose, a sore throat, exhaustion(a feeling of tiredness), etc, please let us know at the reception counter **before your consultation starts.**

Please be sure to wear a mask if you have a fever and cold-like symptoms.
